From the Chairman . . .

Chairman's Report to Annual General Meeting 22nd June 2014

Welcome Everyone. Today let us take a minute to think of those GSP people no longer with us and those whose health may not be as we would wish.

My thanks to everyone, for all their hard work. We are learning about the abilities of individuals and all about their strengths. To this end the Management Committee will be looking for a Professional to take on the role of Web Master, unless we find a star in the GSP world, who would be interested in taking on this onerous task.

While on the subject of social media, I am concerned that it does not stop. Bullying, defamatory remarks that are in the public arena, for all to read. It's about Clubs, Societies and individuals. Some of what we are aware of must be slander/libel and I just hope that it all ceases, in order that we can fully enjoy this hobby of ours.

I look forward to hearing the news from the Branches and Groups, to learn of their successes and again I thank all those who strive to help the Club.

My thanks to Dave Thomas, the Club Auditor, to the Management team, to our printers JC Graphics, to Jean Bates and her Discover Dogs team, to Mattais, Maureen and Jill on their annual marathon at Crufts, on the Breed stand, to the Show team and to Eileen Winser, our Health Coordinator for liaising with the three Clubs and also to all telephone providers.

Now, a controversial point. I believe that the Club could achieve all its functions with just one Committee, together they would strengthen the Club. Food for thought perhaps!

One person I have forgotten to thank, is Ian, our Secretary, who does so much work on behalf of the Club. Many thanks.

Ben Thurm

From the Hon Secretary . . .

The club has received some complaints with regard to the GSP club website. This is being rectified and a new site should be with you soon. We hope this new site will assist members in downloading entry forms for Shows and Trials etc, also provide better opportunity to buy from the club merchandise list and keep members notified of events taking place throughout the year.

Ian B Halbert

Obituaries . . .

Fred Whitworth

It was with deep sadness that we received the news that Fred Whitworth had died, at home, on the evening of the 14th July, after a very short illness, bravely borne by Fred and his wife, Judi . We were so shocked to receive that first email from Judi, less than four weeks ago, letting us know that Fred was unwell.

We have known Fred for many years and always valued his friendship so much. He was very well known for his passion for the GSP, achieving success in both the ring and the field, obtaining his first GSP in 1994. The couple's dogs all live in the house and both have always promoted the dual purpose of their chosen breeds, the dogs worked regularly on their small shoot, during the shooting season.

Fred was always so smart, so easily recognisable, dressed in clothes that gave him that distinguished

look of a man who loves dogs and the countryside. He was such a cheerful person, sincere, jovial, smiling and always enjoying good jokes. Ben recalls how passionate he was about horse racing, on one occasion visiting Beverley Races, near Hull, during the course of the GSP Club weekend, which was held at Holme-upon-Spalding-Moor, in the East Riding of Yorkshire.

I remember feeling surprised when I learnt that Fred was responsible for the catering at many GSP Club events, not because I thought he couldn't cook, rather because this was a hidden talent, that I had previously not known about and that he had not openly spoken of, being modest about his capabilities.

Fred was always a tireless worker and was heavily involved with the GSP club, in an official capacity, serving on various Committees, travelling many miles from his home in East Sussex, also acting as Chairman for the Show Committee for a number of years. Fred was also involved in Rescue, often taking GSPs awaiting re-homing into foster care, within his home.

We were thrilled when Fred found happiness with Judi, the couple sealing their love just three years ago, when they were married. For anyone who knew Judi and Fred it was always so clear to see just how much they were in love and what a perfect match they were. Following their marriage, they continued to show their dogs, a shared passion and with great plans for the future. We remember the first time we saw Fred in the ring with an English Springer Spaniel, Judi's first breed and recall how we thought he rather suited the breed.

Fred achieved considerable success with the GSP, Sh Ch Pitwit Spring Into Action JW, whom he co-owned and this dog proved to have a considerable influence on the breed, with top winners in the ring today, being direct descendents. Remarkably, he was from the first litter Fred bred, sired by Ch Hillanhi Sandor, his dam Buttons and Bows of Pitwit. Born in May 1997, Dyson, as he was known at home, was the winner of 20 CCS and 20 RCCs, also gaining a Group 3 award at Southern Counties, when he was 9 years old. Dyson was GSP Top Stud 2007 and 2008 and GSP Joint Top Dog in 2001. He was also regularly worked, achieving success in this area and also sired a number of dogs successful in the field.

Dyson was not extensively used at stud, so his influence is all the more remarkable. He sired multi CC winners, including Gill Roden's Sh Ch Keigame Precious JW, the Rose family's Sh Ch Kavacanne Gift of The Gab JW ShCM, Julia Thomas' Sh Ch Malmelsa Dusky Dallas of Knabynnus JW ShCM, Karen Joy's Sh Ch Mannlicher Alice Springs JW and our own Sh Ch Bryburn The Toff JW ShCM.

We remember how thrilled we felt when Fred chose to have a puppy from Toff's litter, namely Bryburn Suesanna JW (Ice), winner of 1 CC and 3 RCCs, whom we know Fred adored.

Once together, Judi and Fred chose a new affix for their dogs and thus 'Freworth' came into being. They bred their first litter of GSPs in 2011, when Ice was mated to Sh Ch Jolicoem Krakatau JW, his mother a litter sister to Dyson and we remember just how delighted they were, when the puppies were born. A bitch was retained and Freworth Firenze, made her debut into the ring, winning her Show Certificate of Merit at a young age. She had a wonderful start to 2014 when, at less than three years old, she was awarded her first CC, at the GSPA Championship show, under breed specialist Sue Ashcroft.

Fred judged regularly at shows and HPR working tests and was so looking forward to his first appointment to award CCs, later this year, at Driffield and we know of many people who were keen to exhibit their dogs, in order to gain his valued opinion.

Fred was just 58 years old, losing his life tragically, at such a young age. He and Judi must have had so many plans, looking forward to their future together. Sadly the GSP world has lost a very special person, we and many others have lost a close and dearly loved friend and most importantly Judi has lost her soul mate, her best friend and the man she loved so very much.

Fred will be missed so much and will always be remembered. To Judi, to both families and to all those who knew him, we send our sincerest condolences.

Fred's funeral to be held on 24th July at 12pm, at Worthing Crematorium, Horsham Road, Findon, West Sussex, BN14 0RQ and afterwards at Washington Village Hall, School Lane, Washington, West Sussex, RH20 4AU. Family flowers only, with donations to Cancer Research, in Fred's memory.

Ben and Fiona Thurm

Colin Bates

In March 1970 Colin bought Jean Midlander Peer Gynt.

At that time she was competing in obedience and wanted a dog with brains. And so it began! David Layton persuaded them to enter the show ring and the rest, as they say, is history.

Wittekind Solveig followed two years later. Colin always insisted that neither could be used at stud or for breeding until they were made up – if they weren't good enough for their title they weren't good enough for breeding!

Colin served as Club secretary for five years in the late 70's, proposed by Lord Joicey when the secretary at the time – Wilf Simpson – became ill. He accepted on the understanding it was five years or until he had doubled the membership – which I believe he achieved!

Colin only ventured into the show ring once and vowed never again!

He was, however, chief dog sitter, walker and chauffeur.

Many an hour was spent on the benches at various Champ shows with other 'other halves' where the conversations were anything other than dogs! Politics, finance, steam trains – all topics covered.

He gave up the chauffeuring in the 90's thinking that if he didn't drive, Jean wouldn't go – how wrong he was.

I have only known Colin and Jean for twelve years. He was a quiet, funny gentle man – a wicked sense of humour, with a seemingly unending amount of energy and strength. I remember him dismantling the brick built kennels virtually on his own!

He would wave us off in the mornings to shows and welcome us home to congratulate or commiserate – the last show being Southern Counties.

Shortly after this he became unwell and after a very short spell in hospital passed away.

His ashes were scattered at their favorite holiday haunt – Cromer – where they used to sit looking out over the sea. Some have been kept at home to join those of much loved dogs – still dog sitting!

Linda Taylor

Annual General Meeting . . .

Secretary's Report to Annual General Meeting 22nd June 2014

I offer my sincerest apologies, as I overlooked providing you all with minutes in due time before the AGM. As there was nothing of a contentious nature, other than an amendment to the wording for "honorary life members", I was remiss in not getting them out in time.

Ian B Halbert

Honorary Secretary

Membership Secretary's Report to Annual General Meeting 22nd June 2014

Membership is down a little this year.

716 Full members
202 Associate members
Making a total of 918

Last year we had 940 a difference of 22.

I have had a few people who have lost their one old GSP and no longer wish to be members and unfortunately we have lost some of our old members.

I say this every year but I still have Standing orders I cannot trace. If anyone tells you that they are not receiving Newsletters please ask them to contact me.

If anyone has any questions I will attempt to answer them.

Treasurer's Report to Annual General Meeting 22nd June 2014

Show Account

Thank you to Linda and the Show committee, for their sterling efforts again throughout the year.

In 2012 to 2013 we see a subsidy of **£2,366** with a Surplus of **£842**. This effectively means that the Show lost **£1,524**.

In 2013 to 2014 we see a subsidy of nil with a loss of **£257**. This shows a significant improvement on last year and we have already identified possible further savings for this year.

Fantastic job...

Field Trial Account

Thank you to Janice Hawkes and the FT committee,

In 2012 to 2013 the FT accounts made a deficit of **£497**.

In 2013 to 2014 the FT accounts made a Surplus of **£312**.

Fantastic job...

Main Account

Income Increased from **£7,313** – (2012 to 2013) to **£8,097** (2013 to 2014).

Outgoings Increased from **£9,011** - (2012 to 2013) to **£9,041** (2013 to 2014).

(2013 to 2014) - **£5,911** is for Newsletters, the largest single expense, attributed to **65%** of our income. **Noted that the newsletters had remained at the same cost**, Postage is a significant part of this increase. We have agreed to reduce the Newsletter publication from 3 per year to 2 per year.

(2013 to 2014) - Honoraria Expenses was paid totalling **£1,050**, attributed to **12%** of the income.

(2013 to 2014) – The club passed on the **£500** legacy to GSPC Rescue.

Branch Accounts

We must not forget the Branches that carry the principles of the club forward and provide its members with the best HPR training available. Thank you to the individual secretaries who have assisted me.

We have included in the Balance sheet this year a simple note that within the Branches we have **£20,589** and **£2,131** of stock.

Balance sheet.

The Club suffered a Deficit for the year 2012 to 2013 of **£1,353**.

The Club suffered a Deficit for the year 2013 to 2014 of **£889 (this includes the transfer to rescue)**.

If we remove this payment of £500, the Club suffered a Deficit for the year 2013 to 2014 of **£389**.

This reduces our net worth from

2010 to 2011 of **£34,830**

2011 to 2012 of **£24,554**

2012 to 2013 of **£23,201**

2013 to 2014 of **£22,312**

Apologies for not being able to be there in person. I remain totally committed to the club, unfortunately family responsibilities have prevented me from attending.

As Treasurer it has been a busy year, It is very pleasing to see the clubs branches working so hard.

We need to work hard to complete the club Web site, I am sure that we can earn money on Merchandising.

Final Thank you to David Thomas and Jo Rush, both have been very supportive to me through the last year.

Lee Rush

Grouse Counting

Settling my GSP puppy, (Stubblemere Gutherie), into her crate, I set off on my 600-mile drive south, to the New Forest, three years ago. During that time, inevitably there were ups and downs but with the invaluable support, encouragement and the occasional 'sort that out', the jewel in the crown was an invitation to go grouse counting at the end of July.

Mike Milton with his dog Otto, myself with my bitch, Flint, joined Caroline Kenney with her son, Rory and her bitch, Margot, to accept the hospitality of Mick Canham, based up in the Highlands, with his bitch Piper, all from the litter of his FT CH Stubblemere Black Magic. Also working on the count were Mick's other dogs, Orca and her pup Lyra, A stable of seven Stubblemere dogs.

The area of Grantown-on-Spey sits on the northern edge of the Cairngorm Mountains, with an unending view of the heather moorland on the brink of setting the countryside alight, with its rich hues of purples and mauves, amongst a scattering of black faced sheep and more challenging, the occasional mountain hare. The grouse, a medium sized game bird with a rich reddish-brown plumage, has a bright red comb above the eye in both males and females. The pairs are counted in the spring and then, after breeding, the birds stay together in their family groups (coveys) until the autumn.

Fleur and Flint

This was a new experience for both Flint and myself and as I cast my dog off under the watchful eye of the keeper, Colin, my heart was somewhat thumping against my ribs. What a thrill to see my dog cover the ground with purpose and determination, using scent alone to know with absolute certainty that the birds are there. More often than not working a back wind, Flint cast out wide, to work back into wind to nail the point. There were times when Flint moved in to flush the birds, whether one bird, a pair or even a covey of five or more, that the first indication was when they burst into the air, flying low and fast away. Colin kindly kept count as I concentrated on working my dog, confirming 1 plus 1 plus 4, then 1 barren pair, followed by 1 plus 3, this was later explained as the count was recorded in the game book as 1 cock bird, 1 hen bird and 4 young, 1 barren pair with no offspring, either the young had not survived or they had not successfully bred this year, followed by 1 bird and 3 young.

Lunch was taken in a shepherds hut which afforded the time for totalling the morning's count, which caused considerable consternation, possibly due to the tots of whisky that were sampled.

Piper & Lyra with their GPS collars and Flint on point

After several days counting, we all travelled south to Haworth Moor to run our dogs in The GSPC Grouse Pointing Test. Good conditions, with birds on every run meant that all the Stubblemere dogs were graded on the day and yes, Mick's face was a delight, pleased that his own dogs performed well, although just as delighted that our Stubblemere dogs had also performed well and were doing what they were bred to do so well.

Caroline & Margot, Mick & Piper & Lyra, Fleur & Flint, Mike & Otto

Highlights of which there were several, meeting the northern circuit handlers and their dogs, a friendly bunch, the Keeper's comment that 'she a good finder, I would be happy to have that dog working the ground', also accepting that my soft southern walking boots were completely useless and that my Christmas list will now comprise of proper dog kit for, fingers crossed, next year's invite.

Fleur Fillingham

Field Trial News . . .

Field Trial Secretary's Report to Annual General Meeting 22nd June 2014

Field Trial Secretary's Report to AGM 22nd June 2014

I would like to start by saying many congratulations to Mick Canham on winning the Kennel Club Championship Stake, which was held on the Swinton Park Estate last November, with his GSP bitch FT Ch Jhebron's Nephrite of Stubblemere.

Also congratulations to Peter Bakewell who won the Shooting Times Trophy this year with his bitch Sigourney Sunbeam

In total 6 HPRs were made up to Field Trial Champions last season one of them a GSP, Jhebron's Nephrite of Stubblemere owned by Mick Canham.

We ran 9 field trials last season and presented 13 awards (4 x 1st, 3 x 2nd, 4 x 3rd, 2 x 4th), 7 x CoM. Seven of these awards and five of the certificates of merit went to GSPs. In total there were 69 awards and 28 certificates of merit presented to GSPs at field trials last season.

At present I have organised 8 field trials for next season and will be printing the schedule shortly.

The Haworth Moor pointing test last July produced 9 gradings: 4 very good and 5 good, and the Drumochter pointing test in April 2014 produced 10 gradings: 1 excellent, 4 very good and 5 good

At the AGM last year I was asked to organise some grouse shooting for Mr. Phil Morris who was one of our hosts at the Diamond Anniversary Weekend in 2011. I managed to organise a day on the Haworth Moor in November for him. He shot one and a half brace of grouse over 3 driven drives in the morning and was given the chance to shoot over GSPs in the afternoon. He decided to follow the HPRs without a gun as he had not shot over Pointers before. He thoroughly enjoyed his day and sent a lovely thank you letter. Our thanks go to Paul Thurtle the keeper at Haworth Moor who went out of his way to provide an enjoyable day for Mr Morris.

As always my thanks go to everyone who played a part at our field events, including the competitors, we couldn't run our field events without you. A special thank you goes to our hosts and gamekeepers – I think we have some of the best in the country. They are always happy to help us with our sport in any way they can. THANK YOU.

Finally, we are grateful to Roger Skinner Dog Foods who continue to sponsor our field events.

Janice Hawkes

Field Trial Results

Novice Field Trial - Drumochter, Inverness-shire

20th October 2014 - by kind permission of Mr A Finlay and Mrs E Dysdale. Sponsored by Rodger Skinner Ltd, Dog Food.

Judges: Mr Peter Bakewell and Mr Phil Ross

A lovely day to be on a quality Scottish Grouse Moor, this venue provides our club with great opportunities to train and test our dogs throughout the year, an exceptional privilege to say the least.

A dry overcast day with moderate temperatures and a steady breeze which would occasionally turn on our backs, but generally a head or cheek wind was presented to all 12 dogs.

A team of 4 guns from the dark side (spaniel & retriever trialers) did not disappoint, putting the birds on the ground without fail, resulting in a 10 brace bag for the day.

The ground for the trial was a well managed hill with ample area to be worked, Red Grouse, Snipe and Ground Game were available during the day. The guns were asked to shoot any game that presented

a safe shot, be it from a point, a dog working a scent or game unexpectedly lifting. The game taken was entirely red grouse which was well spread across the hill and predominantly taken following flushes from points.

Twelve dogs ran, with all having game on their beats, a lack of steadiness was the predominant downfall during the trial with 5 dogs running in, the runs concluded with 3 dogs being taken to water.

Results:

1st	Jhebron's Crachin	GSP	Daryll Elliot
2nd	Not Awarded		
3rd	Not Awarded		
4th	Fly to Tournesol	Brit	M Hirst
CoM	Trudvang Skuld	GWP	P Burdess

Judges Critique:

Jhebrons Crachin

This dog ran number 8 and was brought in to retrieve a bird remaining from the previous run. Without hesitation and following a perfect display of dog control the bird was collected and retrieved to hand. The dog worked on and gave a flawless demonstration of hunting, ranged well, covered the ground with pace and style, firmly responding to the minimum of handling when required. Whilst hunting on the right of the beat a solitary bird lifted from the extreme left and was shot. A mark to the handler and the dog was sent the full width of the beat and directly to the area indicated, a brief search followed by a perfect retrieve ensured this dog would be in front of us again. On the second run the dog repeated a display of excellence and secured a solid point which was well held while guns were positioned, despite two shots at a breaking bird the dog did not flinch from its point, a definite flush with immediate drop and steadiness was crowned with another quality retrieve.

A well executed water retrieve secured top honours for this dog, without doubt the best at the trial, and may I say, one to watch out for in the future.

Fly to Tournesol

Running number 5 and taking the ground at pace, this was a stylish Brittany and well handled. On the first run one bird lifted ahead, was shot and retrieved. The second run was predominantly on a cheek wind which the dog handled well, covering the ground with pace, eventually secured a point and flushed a covey, two birds were shot and both retrieved to hand. A good water retrieve completed the day and secured the 4th place awarded.

Trudvang Skuld

Running number 3 this dog was brought in to retrieve a bird from a previous run, a vague mark from the gun and it was sent for the retrieve. The dog secured a solid point beyond the indicated area, guns were brought in, a bird was flushed to command and shot, steady throughout with a retrieve to hand freed the dog to return to the original task and another clean retrieve. On the second run the dog made an immediate find, was steady to shot and fall before being sent for the retrieve. The dog opted to point the fallen bird and took several commands to encourage a pick and retrieve on what transpired to be a very alive bird. Completion of the water retrieve completed the day and resulted in a CoM.

My sincere thanks to The German Shorthaired Pointer Club for inviting me to Judge at this stake, a thoroughly enjoyable and rewarding day from watching quality dog work and handling on quality ground with an ideal distribution of game.

Special thanks to the Hosts for supporting the trial, Team of Guns for excellent shooting, Steward of the Beat/Keeper Duncan for presenting us with quality ground, Margaret Hamilton for Stewarding, Leslie Shaw for taking on the task of RED FLAG, and not forgetting my co-judge Peter Bakewell.

A delightful day ended with the traditional Scottish Group hospitality, as always very much appreciated by all.

Phil Ross. (NP3420)

Grouse Pointing Test Results

Grouse Pointing Test - Haworth Moor, West Yorks - 02.08.14

At the start of the day, we were advised by the Keeper, Paul, that the birds had been soaked the previous evening and therefore, after the initial flush, any grouse left on the beat may well be too wet to fly. With this in mind both Fred and I thought it sensible to pick dogs up after the first flush, to try and avoid any possible pegging situation. After being given instruction by the Keeper, Paul, as to our given beat, most dogs were run on a cheek wind.

Juniors:

GSP Bitch, **Stubblemere Evanesco**. Handler - M Canham. Graded Very Good

A very fast young bitch, that covered her beat with ease and maintained this pace throughout her run, very much in tune with her handler, checking out pockets of residual scent but not wasting time. She was soon into birds, drawing onto point some 30 metres from her first indication of birds, then pointing staunchly 4 grouse lifted in front of us. The dog sat without hesitation, then indicating that more birds were still to be flushed. Another 5 birds were produced and again this young bitch sat and watched the birds away.

Italian Spinone Dog, **Feriiiia Filiberto**. Handler - I Moyser. Graded Very Good

A large Spinone, that is graceful when he runs, light on his feet but also powerful, taking in the full width of his beat, with a high head carriage and making full use of the wind, drawing into his covey from at least 60 metres, putting no pressure on his quarry. Flushed on command and duly sat as the covey lifted.

GSP Bitch, **Peersoffdales Huntress**. Handler - K Stafford. Graded Good

A first timer on grouse, this little bitch struggled to get going but with a more experienced handler will improve. A workmanlike run, she did produce a good covey of grouse, the dog was steady throughout and was graded.

GSP Dog, **Warrendown Thor**. Handler - T Wignall. Graded Good

A very stylish young dog, that quartered his beat with ease, showing some signs of immaturity, dwelling on residual scent. The handler stepped in and moved the dog on, then indicating he was on birds, resulting in a quick flash point, 4 birds lifted, the dog then turned, pointed and produced a singleton.

GWP Dog, **Trudvang Luther**. Handler - A Watts. Graded Good

A very strong running dog, that needed no encouragement from the handler. Covered his beat in a heartbeat, determined on finding game, ground treatment coupled with his natural hunting ability, he soon had grouse, a very stylish point that resulted in 4 birds lifting, as the handler approached.

Adults:

GSP Bitch, **Aytee Isadora**. Handler- L Hustler. Graded Very Good

Not as expansive as some of the earlier dogs, but the style, pace and ground treatment were a pleasure to watch, working a cheek wind this dog really enjoyed her first time on a moor, although handling the grouse more like an experienced dog, drew into a very stylish point and produced a covey of 6 birds and sat without hesitation.

GSP Bitch, **Stubblemere Mey**. Handler - C Kenney. Graded Very Good

A well balanced bitch that was in tune with her handler. Indicating that she had birds running in front of her, the dog continued to work the full width of her beat, finally catching up with the grouse, she pointed and produced a pair. Run on, the dog was back into its pattern and was soon into game, drawing onto point, and produced a hen pheasant.

GSP Bitch, **Stubblemere Cawdor**. Handler - M Canham. Graded Very Good

The ground treatment from this bitch was excellent, lovely pace and very stylish, covering all of her allotted beat without any hesitation, drawing onto a point and produced possibly the largest covey of the day.

GSP Bitch, **Stubblemere Gutherie**. Handler - F Fillingham. Graded Good
 Another wide running bitch that was making the most of the ground, occasionally checking out residual but not dwelling on it, this dog then indicated that she had birds but was unable to make contact . The dog then dropped off the wind, going back some 100 metres, then working the wind, drew in and staunchly pointed and produced a covey of 9 grouse in total .

GSP Bitch, **Sirilta Solitaire**. Handler - S Davison. Graded Good
 Although hampered by a very inexperienced handler, this dog did try and make the most of the moor, a busy little GSP that did point and produce on command, a single cock grouse .

GSP Dog, **Stubblemere Huntly**. Handler - M Milton. Graded Good
 A wide running dog that had bags of drive, not always in tune with his handler but exciting to watch, turning sideways into a covey that was on the edge of his beat, the dog sat as the covey lifted . Run on, the dog, seemingly getting faster, was soon into birds - pointed and produced, the dog's exuberance was brought under control.

I would just like to thank a few people who helped the day along, firstly the Land Owner, Mr J D Standeven and the Hawarth Moor Syndicate, the GSPC for my invitation to judge, Paul the Keeper, Janice Hawkes, the hard working Field Trial Secretary and last but not least, A panel judge Fred Alcock.

L Loveridge

Show News . . .

Show Secretary's Report to Annual General Meeting 22nd June 2014

Our April 2013 Open show was held at Roade Village Hall where our judge was Sue Knowles. Best in show was Rose's Sh Ch Kavacanne Gift of the Gab. Wendy Pearson judged the three stakes classes

We had a new venue for the Championship Show in the July – Stoneleigh's KC Building. The weather was kind to us so judging was outside. The judges were Patsy Hollings and Martin Harris, who kindly took on Jenny Jennings' entry . Best in Show was Waddell's Magregor Fluffernutter

Another new venue for the October Open Show at Thorpe Willoughby Village Hall where the judge was Nicky Hamblin. Best in Show was Rose and Gaffney's Sh Ch Kavacanne Toff at the Top. Nicole Coe judged the stakes classes

Entries at the Open shows were low but the Champ show was better supported and we made a profit – only a small one, but still a profit!

To help the judges on our list, we have revised some of the criteria. So that the Judges List is as accurate as possible, I would be grateful if you could let me have updated CV's and changes of address etc

I would like to thank all those who have helped me over the year and I wish you all a lucky 2014 season

Linda Flint

As I write this, we as a Group are busy preparing for our annual Working Test at Laverstoke Park. I do hope that it runs smoothly and that all competitors, Judges and helpers thoroughly enjoy their day.

We have made a somewhat anxious leap into the modern world this year and decided to use the online entry scheme, rather than the usual paper type. I do apologise to the few people that this has confused, I think that in the long run it will make things a lot easier for all involved. I must say a very big thank you to Heather Johnson and Jack Birrell, who have worked together on this to make things as straightforward as possible.

The picture attached shows our Branch Treasurer Mike Milton looking pleased with himself, after receiving a grading on the grouse at Haworth Moor, this August ,with his dog "Otto" Stubblemere Huntly.

It was made even sweeter as he was joined by the Clan of Otto's litter sisters, Cawdor/ Mey/ and Guthrie, all with the Stubblemere affix and all achieving gradings. The fifth dog in the picture, Stubblemere Evanescio, also received a grading. A lot of happy owners!

I must also make mention of Dave Burden and his dog Razor, Deepthatch New Moon, who have recently achieved their 22nd win in Open Working Tests. What a remarkable team they make, something

that many of us can aspire to.

Happy training everyone, and I hope that everyone enjoys a safe and fruitful shooting season.

Helen

Scottish Group

Secretary: Les Hunter, 1 Wadesbridge Road , Old Bridge of Tilt, Blair Atholl. PH18 5TZ
Tel: 01796 481268. Email: leshunter@bt.internet.com

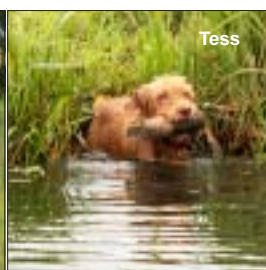

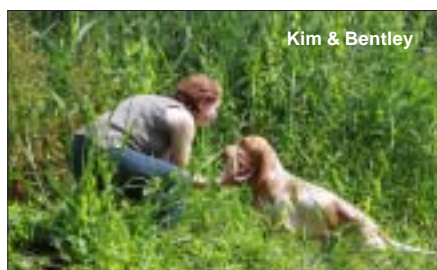

South West Branch

Secretary: Fleur Fillingham, Fast Rabbit Cottage, Long Close, Downton, Salisbury. SP5 3HG.
Tel: 01725 513503. E-mail: gpswsec@hotmail.com. Website: www.southwestgsp.org.uk

Sixteen months after our application to the Kennel Club to become the South West Branch of The GSP Club, rather than a Group, a telephone call to the Secretary confirmed that this had been actioned. I would like to thank Ian Halbert for his support and advice in gaining this status.

We held a successful GWT in April, at Durley, with over 100 entries spread over 5 classes. We introduced an unclassified Novice Dog/Novice Handler class to encourage new people into the world of HPRs. The results are on our website.

We recently held a series of evening training classes for the Kennel Club Working Gundog Certificate, on dummies. Sheila Kuban and Bob Sparks assessed the handlers and three candidates passed. Kim Parris with her Bracco Italiano, Bentley, Lisa Bell and her GSP, Molly and Joan Turnbull and her HWV Tess.

We held our ever-popular water-training day in July, followed by a fun test of work at the August training/BBQ. The John Jenkins trophy is awarded, at the BBQ, to the most promising handler and dog and this year it was Russ Hicks, with his GSP, Cooper.

We are looking to run a couple of 'shot over days', for Novice and more experienced dogs, during the season, at a local Dorset shoot.

The website has been redesigned and proved to be well visited www.southwestgsp.org

Fleur Fillingham

North West Group

Secretary: Eddie Kania, Daisy Bank, Chinley, High Peak, Derbyshire. SK23 6DA.

North West Group Report to the Annual General Meeting - 22/06/2014

The Group continues to provide training across the North West of the UK, with between 15 and 25 handlers attending the monthly classes. With a diverse selection of training grounds, it is hoped that the Group offers as wide a selection of grounds and training opportunities as is possible in the North West, from woodland to moorland and including pasture with stock, at appropriate times of the year.

Once again, the Group member stewarded and threw dummies for the HPR Novice and Open Tests, at the Chatsworth House Kennel Club Gundog Working Test, in June. The weather this year did not help. However, the event was deemed to have been successful across the board for all gundog breeds.

Our annual Working Test will be upon us soon. Watergrove has been the home for this event for around 15 years, offering superb open ground for HPR's. This will be followed swiftly by a discussion evening and hot pot supper at the beginning of August, giving the membership the chance to get together socially.

The Group strives to be both flexible and innovative with an emphasis on maintaining the true versatility of the HPR. Later this year several members are making the arduous trip to München, to attend the Kleemann, the German Breed Selection Test, in order to gain an insight into the development of the GSP on the Continent.

Eddie Kania

g Don't Forget g
Entries close 16th March 2015

For the German Shorthaired Pointer Club Spring Open Show

at Road Village Hall

Bailey Brooks Lane, Road, Northampton. NN7 2LS

4	Tyspylaird Glencoe	GSP	Handler Mr L Loveridge

August 6th

Field Craft Discussion Evening, Hot Pot Supper & Quiz

Attended by some 39 members, a very popular event. The winning team this year was team Kerfoot, made up of Matthew, Gabi and Cyrus Kerfoot with Phil and Pauline Slatter.

Congratulations to the Working Test winners and all the quiz teams, a very entertaining evening. Visit www.hprgroup.co.uk for up to date group information

Yorkshire Group

On 17th August the Group held it's well established, and well supported, 'Team Retrieving Challenge & Fun Day'.

This is run along similar lines to a formal Working Test, with dogs each completing four retrieving tests but as a less formal event, there are no 'failures' and all dogs are supported to complete each test and receive a score. To further reduce pressure on inexperienced dogs and handlers, dogs compete as part of a team of between 4 and 10 and only the top three scores of each team count towards the final result.

During the day we also ran a couple of fun events:

- a) A "Bale Race"-which always proves highly competitive

And

- b) this year we provided the opportunity for dogs/handlers to be assessed for their Kennel Club Bronze 'Good Citizen' award

We had 52 entries in 7 teams in addition to the (separate) Puppy class (12 dogs)

The winning Team was, 'The Mighty Munsters', with the three scorers being:

Alex Hatton with Mila ~ Matt Smith with Doug ~ John Fleming with Greta

The highest scoring Graduate was Susan Hanson with Darcie, scoring 98 and the highest scoring Senior, Alex Hatton and Mila scoring 97.

The results for the Puppy class (after a run off) were;

- 1st Nicky Hamlin and Bodie, scoring 100
- 2nd Stevie Allerton and Flint, scoring 100
- 3rd Maureen Johnson and Lexi, scoring 93

The winner of the Bale race was Nicky Hamlin with Boo and ½ dozen dogs/handlers gained their bronze 'Good Citizen' award.

All in all another successful and enjoyable day and thanks go to sponsors Skinners for providing the prizes.

Joint KC/BVA Hip Dysplasia Scheme

The following dogs have been tested under the KV/BVA hip dysplasia scheme and the results registered with the Kennel Club between April and June 2013. The score given is for each hip. The lower the score the less the degree of hip dysplasia (the maximum possible score is RH53/LH53. Total: 106)
