**Minor Puppy Dog (1).** **1 Thurm's Bryburn Bacchus.** 7 month old dog showing plenty of breed type. His head is just right for his age nothing coarse or overdone, well shaped eyes already dark with kind expression. He has a good reach of neck flowing into well laid shoulders, upperarm long as required, placing his forelegs under him. Good forechest, plenty of depth already. Shortbacked with firm topline and well set tail. Hind quarters show width to second thigh and short rear pasterns. Strong bone and tight feet complete the picture. His movement once settled showed tremendous reach and drive. Very promising. **BPD and BP.**

**Puppy Dog (1).** **1 Sielski, Orchidstar Wotsit.** 10 month old. A very attractive young man with a very good, well balanced head, again with dark expressive eyes. Reachy neck leads to firm topline and correct tailset, ribs reach well back with a deep loin. Correct coat texture. Preferred the depth and angulation of the MP. A little unsettled on the move today.

**Junior Dog (3).** **1 Hopkins, Seasham Don't Stop Me Now.** 13 month old dog who again has a lovely head with no coarseness and dark eyes. Good length of muzzle and well set ears. His neck flows into well laid shoulders. Well angulated all through, deep chest, ribs reach well back. Correct coat texture put down in spanking condition. Moves out well on an even stride, sound from any angle. **2 Thomas, Brainscroft Tahiti.** Nice young dog who is well angulated all through with a good turn of stifle. Level topline held on the move with correct tailset, carries his tail well on the move. Good coat. Was a little tense but moved out well. **3 Fuller and McCarthy, Seasham Flash Gordon.**

**Yearling Dog (2).** **1 Adams, Barleyarch Ariat JW ShCM.** Well-made dog who stands over plenty of ground. Loved his reach of neck and well developed forechest. Deep loin. He has a masculine head with kind expression. Well made all through with lovely width of second thigh. **Puppy Bitch (2).** **1 Pudney, Pitwit Winter Glow.** Another nice bitch with a good head showing length and depth of foreface. My notes said neat and well balanced which she is, nothing overdone. Very good shoulders with good return of upper arm. Shortbacked with good angulation all through. She moved really well on a free easy stride. **2 Stopforth, Smilek Running Up Snowdon.** Although well up to size this bitch is well angulated all through. Pleasing head with well-set ears. **Post Graduate Bitch (4).** **1 Ellis, Soellis Dirty Gertie.** Beautiful head with soft expressive eyes. Lovely balanced angulation all through. Very sound up and down and she strides out well in profile. **2 Hopkins, Seasham Dancing Queen.** Gave her handler a hard time today, but has plenty of breed type with a lovely feminine head. Her neck flows into well laid shoulders. Good depth of chest and well sprung ribs with a deep loin. Moved well. **3 Thomas, Brainscroft Saffron.**

**Limit Bitch (7)** What a lovely class this was and I thoroughly enjoyed sorting them out with some hair splitting decisions. **1 Tierney, Keigame Hustle.** When I think of GSP this liver bitch is very nearly what I imagine. So what makes her, to me, so close to the standard? Balance of outline and angulation. Flowing lines with that noble look. Short backed with the tail carried level with her topline. Lovely bone and tight arched feet. The width of second thigh giving the strength required to drive round the ring. Topped off with a gleaming coat of harsh to the touch texture. Delighted to award her the **BCC** (her 3rd) and **BOB.** **2 Cox, Cushtlaw Irresistable JW ShCM.** Unfortunate to meet the winner on such good form today. She too fits the standard so well, with the best of heads and again put down in gleaming condition. So well angulated all through with good topline and correct tailset. Stands on good legs and tight feet. Moved really well showing lovely length of stride and drive from her well-muscled rear. **RCC.** **3 Hammond, Cooke, Mould And Bird, Seasham Indian Sunset Over Koolwaters.**

**Open Bitch (6,2).** **1 Drew, Sh Ch Cushtlaw Illustrious JW.** Litter sister to my RCC winner and she too is from the top drawer. Well balanced in profile with a feminine head, arched neck flows into close bladed shoulders and level topline with correct tailset. Uses her well angulated frame to good effect on the move. Again put down in good hard condition. **2 Hammond, Sh Ch Seasham Lovestruck JW.** Yet another super bitch well worthy of her title. Beautiful head with gentle expression, arched neck flows into close bladed shoulders, firm topline. Well angulated all through with width to second thigh. Stands on good legs and tight feet. Shown in tip top condition with good muscle tone throughout. Moved well. **3 Pudney, Stairfoot Skye.**
