

CRITIQUE - BOURNEMOUTH CANINE ASSOCIATION

Judge: Mrs C Eves

Many thanks to the committee for allowing me to judge at such a well run show. The weather was very kind to us, as the rain stayed away until the end. I was pleased to see that the breed was looking so good. Size has improved greatly being more in line with breed standard. Temperaments were really good. And all presented in excellent condition which made it a pleasure to go over them.

Minor Puppy Dog or Bitch (3). **1 Pearson's Ladyhawke Dizzy Miss Lizzy.** 6 months liver & white bitch, petite little girl, good bend of stifle, deep chest, moved well. Clean well shaped head and dark eye moved well for such a baby. **2 Burford's Pingarypoint Legolicious.** A little longer in body than one, a great top line, good front, on the whole very nice but would like to see when more mature. **3 Slack's Pingarypoint Legolustrous.**
