

# CRITIQUE - SOUTH WALES KENNEL ASSOCIATION

## GUNDOG GROUP

Judge: Mr B Bunce

Group 1. After a second go around, my final choice of winner was the aptly named four year old USA imported GSP male, **Harris' Am Gr Ch & Sh Ch VJK-Myst Goeslikethewind Of Barleyarch.**

As soon as I laid hands on this dog I just knew he would finish among the final selection. So full of businesslike attitude and a total wish to please his handler, his outstanding overall type and hard condition was shown to the full when on the move, where his action is effortless and so full of drive. He covers the maximum of ground with the minimum of effort, driving from ideally placed hocks and strong tight feet.

## GUNDOG PUPPY GROUP

Judge: Mr S Bardwell

My thanks to the Committee for the chance of spending a memorable 3 days judging many outstanding puppies. In the final line up for BPIS I was spoilt for choice and had only the finest of margins to separate the four exhibits that really stood out to me.

Puppy Group 3. **Rumney's Kacela Sweet Ayana.** German Shorthaired Pointer. Clean outline with well made body, good bone and feet and standing over plenty of ground. Strong neck and topline with well set tail and nicely balanced on the move. Feminine expression from well proportioned head and gentle eye.
