The German Shorthaired Pointer Club feels that Pointing Tests are an invaluable opportunity for handlers and their dogs to gain experience working on game on open ground in ideal conditions, without the pressure often attached to field trials. In order to encourage participation in Pointing Tests,

The Club will award annually a trophy to a member who's GSP has shown the most consistency during the season in achieving gradings in the Club's tests. Junior and Adult dogs will qualify equally for the award, which will be given on a points basis of Excellent, Very Good and Good gradings. Points must be gained in two or more tests during that season. Only GSPC members with GSPs are eligible.

Neither the GSP Club nor the hosts of any meeting will accept liability for any accident, damage, illness or injury to dogs, owners, handlers, spectators or any other person or property whatsoever.

The GSP Club reserves the right to refuse an entry without stating a reason. The making of an entry constitutes acceptance of the GSP Club Field Trial Standing Instructions.

After the draw you will receive confirmation by email with a link to pay directly to the club, this must be paid within 48 hours to secure your place in the test.
