

NOVICE FIELD TRIAL – DRUMOCHTER

Judges: Mr P Bakewell and Mr S Robson

By kind permission of Mr A. Finlay and Lady Eira Nickson. Sponsored by Skinners Dog Food Ltd.

Date:

Wednesday 18th August 2021

Results:

No Awards given

Summary:

The ground was made up of heather moorland & white grass, the weather conditions were warm

A full card with various HPR breeds, GWP, HWV, HV, Weimaraner, Brittany, and GSPs were worked on the moor, with only pointed birds to be shot on the trial.

The judges saw some fine dog work, the scenting conditions were obviously good but sadly misdemeanour's crept in, which meant that they were unable to make any awards on the day.

My thanks go to all those handlers who supported the field trial, the guns that produced birds for the retrieves, the beat keeper, picking up dog and red flag.
